

### **Willis Strengthens its Marine Division Management**

Willis Group Holdings announces that, following the recent appointment of Chris Clark, as Chairman and Steve Barton, as Managing Director of its Marine Division, the division's management team has been further strengthened with the following appointments:

Jerry Ridge and Alastair Rivers are appointed joint Deputy Managing Director. In these roles, Jerry will assume specific responsibility for the division's reinsurance business and Alastair for its cargo business.

The Marine Division has also made key promotions to its Executive. Robin Brown is appointed with specific responsibilities in the Marine Reinsurance Division. Marine Liabilities and P&I teams will also now report to him. In conjunction with Steve Barton, Robin will lead a global initiative to strengthen and grow both Marine's direct and reinsurance business in these two key areas.

Bob Peilow joins the Marine Executive with prime responsibility as Sales Director.

With effect from 1 July 2001 the Executive of Willis Marine is:

Chris Clark  
Stephen Hirst  
Steve Barton  
Robin Brown  
Nigel Cotton  
Bob Peilow  
Steve Potts  
Jerry Ridge

Willis Group Limited is one of three global insurance brokers. It provides specialized risk management advisory and other services on a global basis to clients in various industries, including the construction, aerospace, marine and energy industries.
