New CEO for Willis in Nashville Brings Extraordinary Industry Experience

New York, NY, November 10, 2004 – Willis Group Holdings (NYSE: WSH), the global insurance broker, continuing to strengthen its presence and leadership in key geographic markets in the United States, announced today that **Brian Morgan** has joined Willis as CEO of its Nashville office. He joined from Marsh where he has been for 10 years, the last five of which were spent building a sales-based organization in the Mid-South (Tennessee, Arkansas and Mississippi).

Brian Morgan is an insurance professional with impeccable integrity and a track record marked by one success after another. As an example of his leadership, Brian designed and executed a “best practices” sales strategy for the Mid-South Region which was deployed throughout North America for Marsh. Through organic growth, recruiting and subsequently training professionals, he achieved tremendous new business growth and developed the client service programs necessary for the all-important retention of new business won.

“With Brian’s focus on aggressive growth and the very best in client service, our Nashville office is poised to build upon the strong foundation developed by Ric Miller in his nearly 5 years as CEO with everyone in Nashville making a solid contribution,” said Mario Vitale, CEO of Willis North America. “We welcome Brian and look forward to the contribution he is certain to make as our vibrant Nashville operation grows ever-stronger.”

Vitale continued, “Ric Miller had recently decided to return to a client-focused role and we thank him for his time and successful endeavors in growing our Nashville office.”

“The Willis Model, building all operations around the client, is the only one of its kind among the global insurance brokers,” said Morgan. “From the Client Advocate approach and the decentralized marketing model engaging clients every step of the way, Willis is cutting a new path in the insurance brokerage industry and I am excited about joining this energetic organization.”

As Morgan is held in extremely high regard across the state, he will be working closely with Joe Ben Turner, CEO of Willis' Knoxville office, to achieve maximum efficiency in the delivery of global resources to clients in Tennessee. Further, given his strong relationships in other major Tennessee markets, Brian and Mike LaRocca, Willis' Regional Executive Officer for the Southeast, will, in due course, be recruiting industry professionals who can help Willis grow its market share across the state.
