## **Management Liability Update: A-Side, Entity Coverage, Court Cases and Implications Willis Webcast / Conference Call on September 15, 2005**

**New York, NY, September 12, 2005** – As a component of our Client Advocate Model, and a reflection of our commitment to maintain open communications with our clients, Willis Executives Risks Product Leader **Ann Longmore** will host a webcast / conference call on Thursday, September 15, 2005 at 11:00 a.m. Eastern Time to examine issues that command attention by directors and officers and the companies they serve.

The webcast will focus on both the fundamentals and headline issues as they relate to A-Side D&O insurance. The latest results from the Willis A-Side purchasing study of Fortune 500 companies will be used as the touchstone for the discussion – one that will address US and international concerns. Taking you into the growing debate, the webcast will also analyze the latest insurance coverage considerations, associated claims issues, and what constitutes a state-of-the-art program.

Interested parties may access the webcast and accompanying PowerPoint presentation via [www.willis.com/Extras/webcasts.aspx](http://www.willis.com/Extras/webcasts.aspx).
