Willis Group to Host Investor Day on November 2, 2007

New York, NY, October 26, 2007 – Willis Group Holdings Limited (NYSE: WSH), the global insurance broker, announced today that it will host an investor day on November 2, 2007 in New York City.

During this event, presentations will be conducted by Joseph J. Plumeri, Chairman and CEO of Willis Group, and other members of senior management and will provide a strategic and financial overview of the Company. The live audio webcast and accompanying slide materials may be accessed from the “Investor Day” link on the Investor Relations section of www.willis.com from 8:00 am until approximately 2:00 pm Eastern Time. The webcast and slide presentations will be archived following the event.

Willis Group Holdings Limited is a leading global insurance broker, developing and delivering professional insurance, reinsurance, risk management, financial and human resource consulting and actuarial services to corporations, public entities and institutions around the world. Willis has more than 300 offices in some 100 countries, with a global team of approximately 16,000 employees serving clients in some 190 countries. Additional information on Willis may be found at www.willis.com.

Presentations may contain certain statements relating to future results, which are forward-looking statements as that term is defined in the Private Securities Litigation Reform Act of 1995. These forward-looking statements are subject to certain risks and uncertainties that could cause actual results to differ materially from historical results or those anticipated, depending on a variety of factors such as general economic conditions in different countries around the world, fluctuations in global equity and fixed income markets, changes in premium rates, the competitive environment and the actual cost of resolution of contingent liabilities. Further information concerning the Company and its business, including factors that potentially could materially affect the Company’s financial results are contained in the Company’s filings with the Securities and Exchange Commission.
