

**Paul A. Greve, Jr. JD RPLU**  
**Senior Vice President / Senior Consultant**  
**Willis Healthcare Practice**

Paul Greve is a Senior Vice President and Senior Consultant for the Willis Healthcare Practice. He is based in our Nashville office.

Our clients benefit from his expertise in both the health care industry and the insurance industry. His health care industry experience includes The Cleveland Clinic Foundation, University Hospitals of Cleveland, The Children's Hospital, Columbus, and Saint Luke's Hospital, Cleveland. Paul's positions in health care included risk management and general counsel. His insurance industry experience includes employment by the Ohio Joint Underwriting Association, a medical malpractice carrier, and GE ERC/Medical Protective as Vice President Marketing, Health Care Organizations.

Paul has authored numerous articles and chapters in insurance and risk management journals and texts, medical texts, nursing journals, law journals and seminar manuals. He has served as a malpractice arbitrator in Ohio and as a speaker at seminars on risk management and medical/legal topics. Paul has co-chaired national symposiums on medical malpractice for the Professional Liability Underwriting Society. He has also served on the editorial boards of three risk management publications, including the Journal of Healthcare Risk Management. He is a past president of the Ohio Society for Healthcare Risk Management. He has received awards for career excellence from the American Society for Healthcare Risk Management, the Ohio Society for Healthcare Risk Management, and the Indiana Society for Healthcare Risk Management.

Paul received his Juris Doctor from Capital University and his BA from Ohio Wesleyan University. He is a Distinguished Fellow of the American Society of Healthcare Risk Management and a Registered Professional Liability Underwriter (RPLU).

His awards include Ohio Hospital Risk Manager of the Year and the Glenn Troyer Award from the Indiana Society for Healthcare Risk Management. He is a member of the American Society for Healthcare Risk Management and the Professional Liability Underwriting Society
