

# SPECIALIST LIVESTOCK PRACTICE

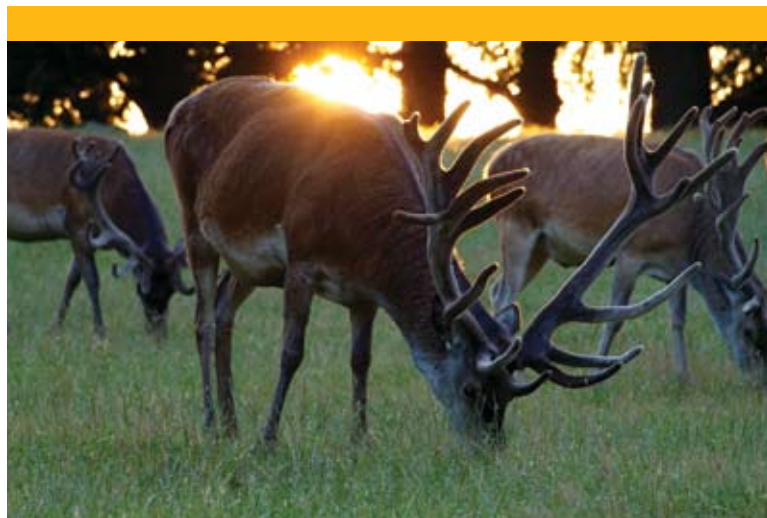

Willis

**Willis is a leading global insurance broker handling risk management and reinsurance across a wide range of service areas and industries.**

Willis is the only global insurance broker to incorporate a specialist livestock practice and is able to provide quotations and coverage for livestock risks situated almost anywhere in the world.

Our global livestock portfolio boasts many types of risks from cattle and poultry farms to zoos and exotic species. Our team has a wealth of experience in this area and have excellent relationships with all specialist insurers covering this class of business, including syndicates at Lloyd's of London and overseas markets.

“

WILLIS IS THE ONLY GLOBAL INSURANCE BROKER TO INCORPORATE A SPECIALIST LIVESTOCK PRACTICE AND IS ABLE TO PROVIDE QUOTATIONS AND COVERAGE FOR LIVESTOCK RISKS SITUATED ALMOST ANYWHERE IN THE WORLD.

”

# WHY CHOOSE WILLIS?

## VALUE

The quality of the business we place, our market relationships, and our specialisation give us the ability to obtain very competitive terms and comprehensive coverage on behalf of our clients.

## EXPERIENCE

Our livestock brokers have years of experience in the industry and produce innovative and cost effective insurance solutions for clients around the globe.

## CLAIMS SERVICE

The true test of insurance is ultimately how quickly and effectively it reacts when you need to make a claim. We endeavour to ask the right questions of our clients before any policy is taken out and work closely with all parties involved in the claims process including vets, loss adjusters and insurers in order to ensure prompt agreement and payment of all valid claims.

## SCOPE AND RANGE

Willis has over 400 offices in 120 countries worldwide meaning we are able to cover livestock risks in almost any part of the world.

## SECURITY

The Willis Market Security Department constantly monitors the financial strength of all our markets. Whilst brokers cannot guarantee the solvency of any insurers, the strength of the Willis Global Market Security function is a vital tool through which we can help our clients select the best security available to meet their requirements.

“

OUR LIVESTOCK BROKERS HAVE YEARS OF EXPERIENCE IN THE INDUSTRY AND PRODUCE INNOVATIVE AND COST EFFECTIVE INSURANCE SOLUTIONS FOR CLIENTS AROUND THE GLOBE.

”

## PRODUCTS

Willis arrange insurance solutions for a wide range of livestock risks, including (but not limited to) beef cattle feedlots, dairy farms, pig breeding/rearing operations, poultry breeding/broiler farms, alpacas and deer as well as zoo, safari and university facilities. We can also provide mortality and loss of revenue protection for public aquaria and high value animals such as dolphins and orcas.

Types of coverage include:

- Full mortality
- Theft
- Restricted perils (fire, lightning, windstorm)
- Infertility
- Transit cover
- Loss of income
- Frozen embryo and semen (in transit and in-situ)
- Government mandated slaughter (disease)
